AGES 3-6

5 printable games for preschool

You'll need: scissors, a die, and ten minutes.

Picture memory game (from age 3)

18 cards, 9 pairs. Mix them up, lay them face down, and take turns turning over two cards: if you find a pair, keep it and have another go. Great for attention and memory.

Mazes (from age 4)

Two levels. First, trace the path with your finger, then with a pencil. Helps with finding your way around and fine motor skills.

Number bingo (from age 4)

Each player takes a board. The adult picks a dot token: the child counts the dots and covers the number if it is on their board. First full board wins! Matching amounts to numbers is the heart of early maths at this age.

Mascot race (from age 4)

One die, Titou, Rosie and Bibou counters, and a track of 20 spaces full of surprises. Practise counting and… how to lose with a smile.

Dominoes with quantities (from age 3)

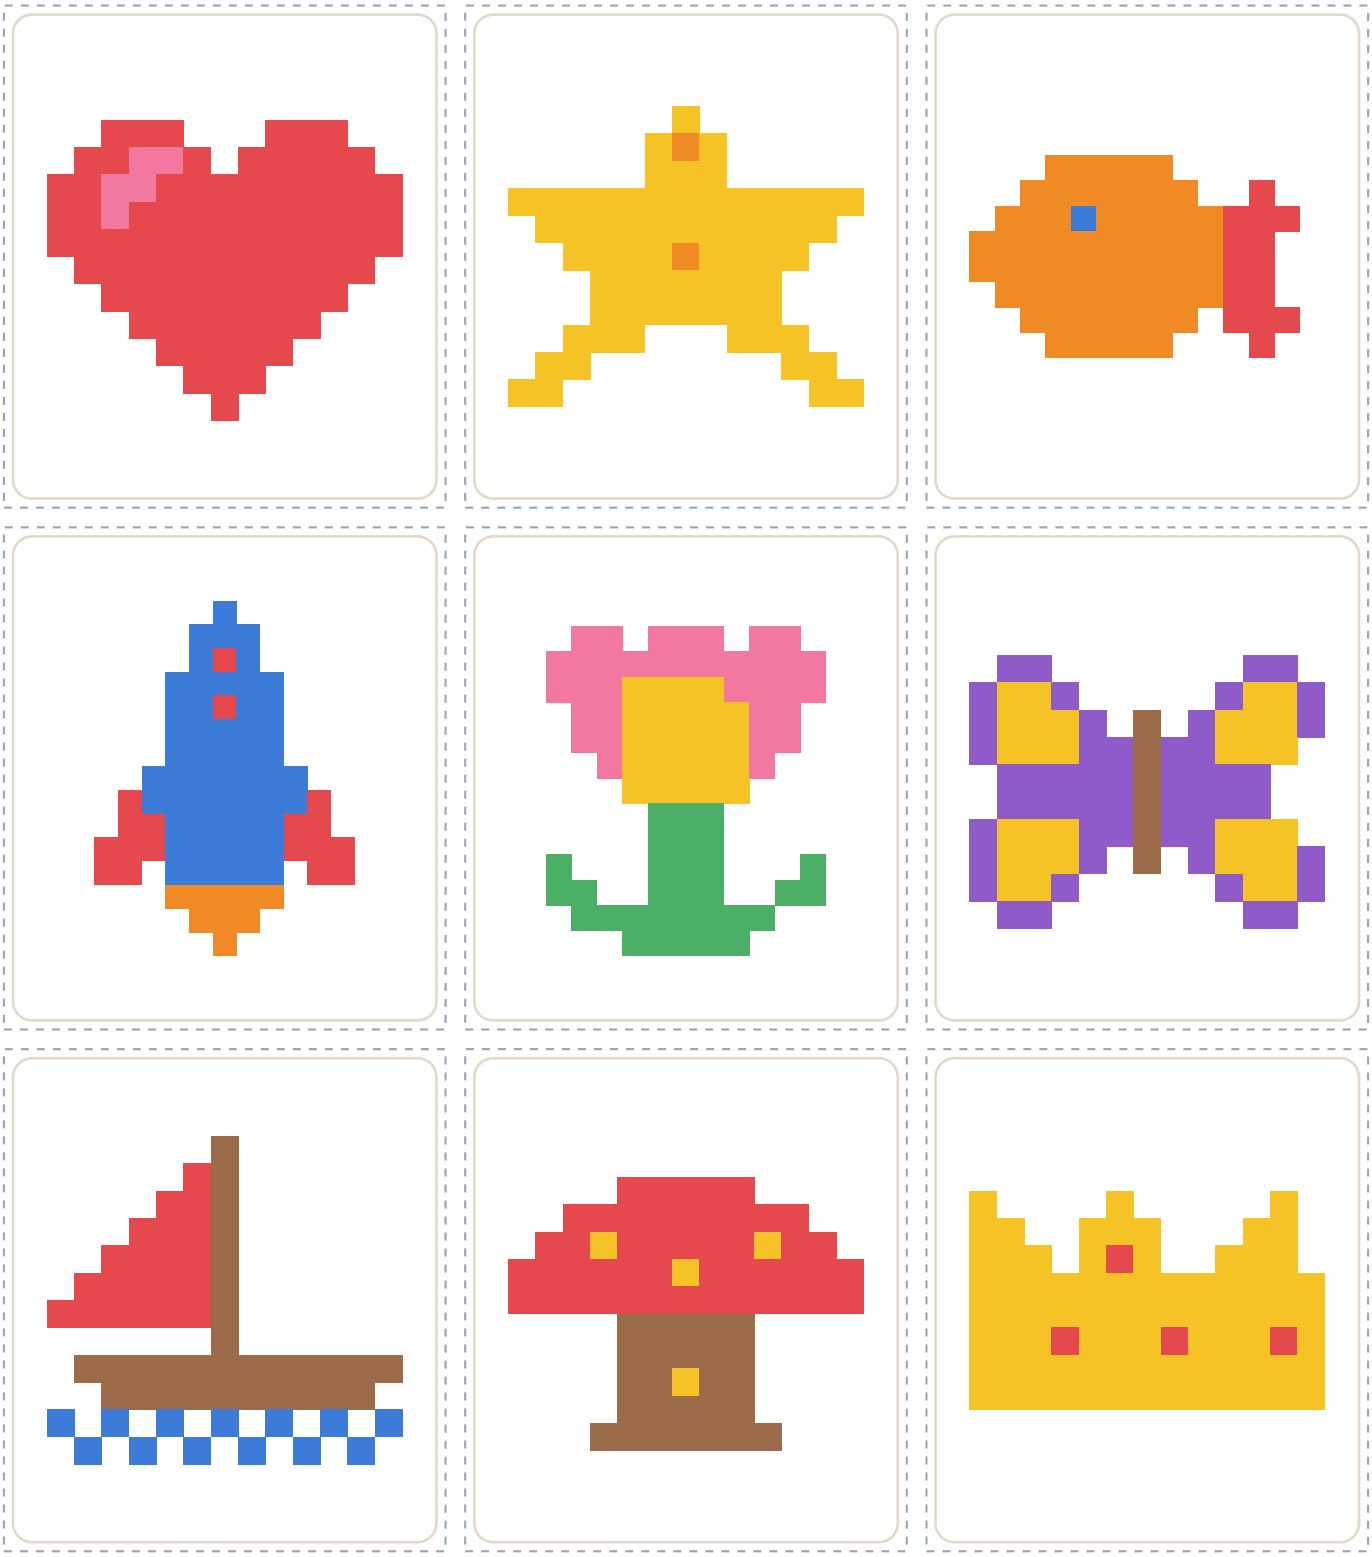

The full set from 0 to 3 dots. Deal them all, match up the same sides. A first step in understanding amounts, before numbers.

Tip: print the cards on thick paper (or stick them to cardboard) – they'll last much longer.

AGES 3-6

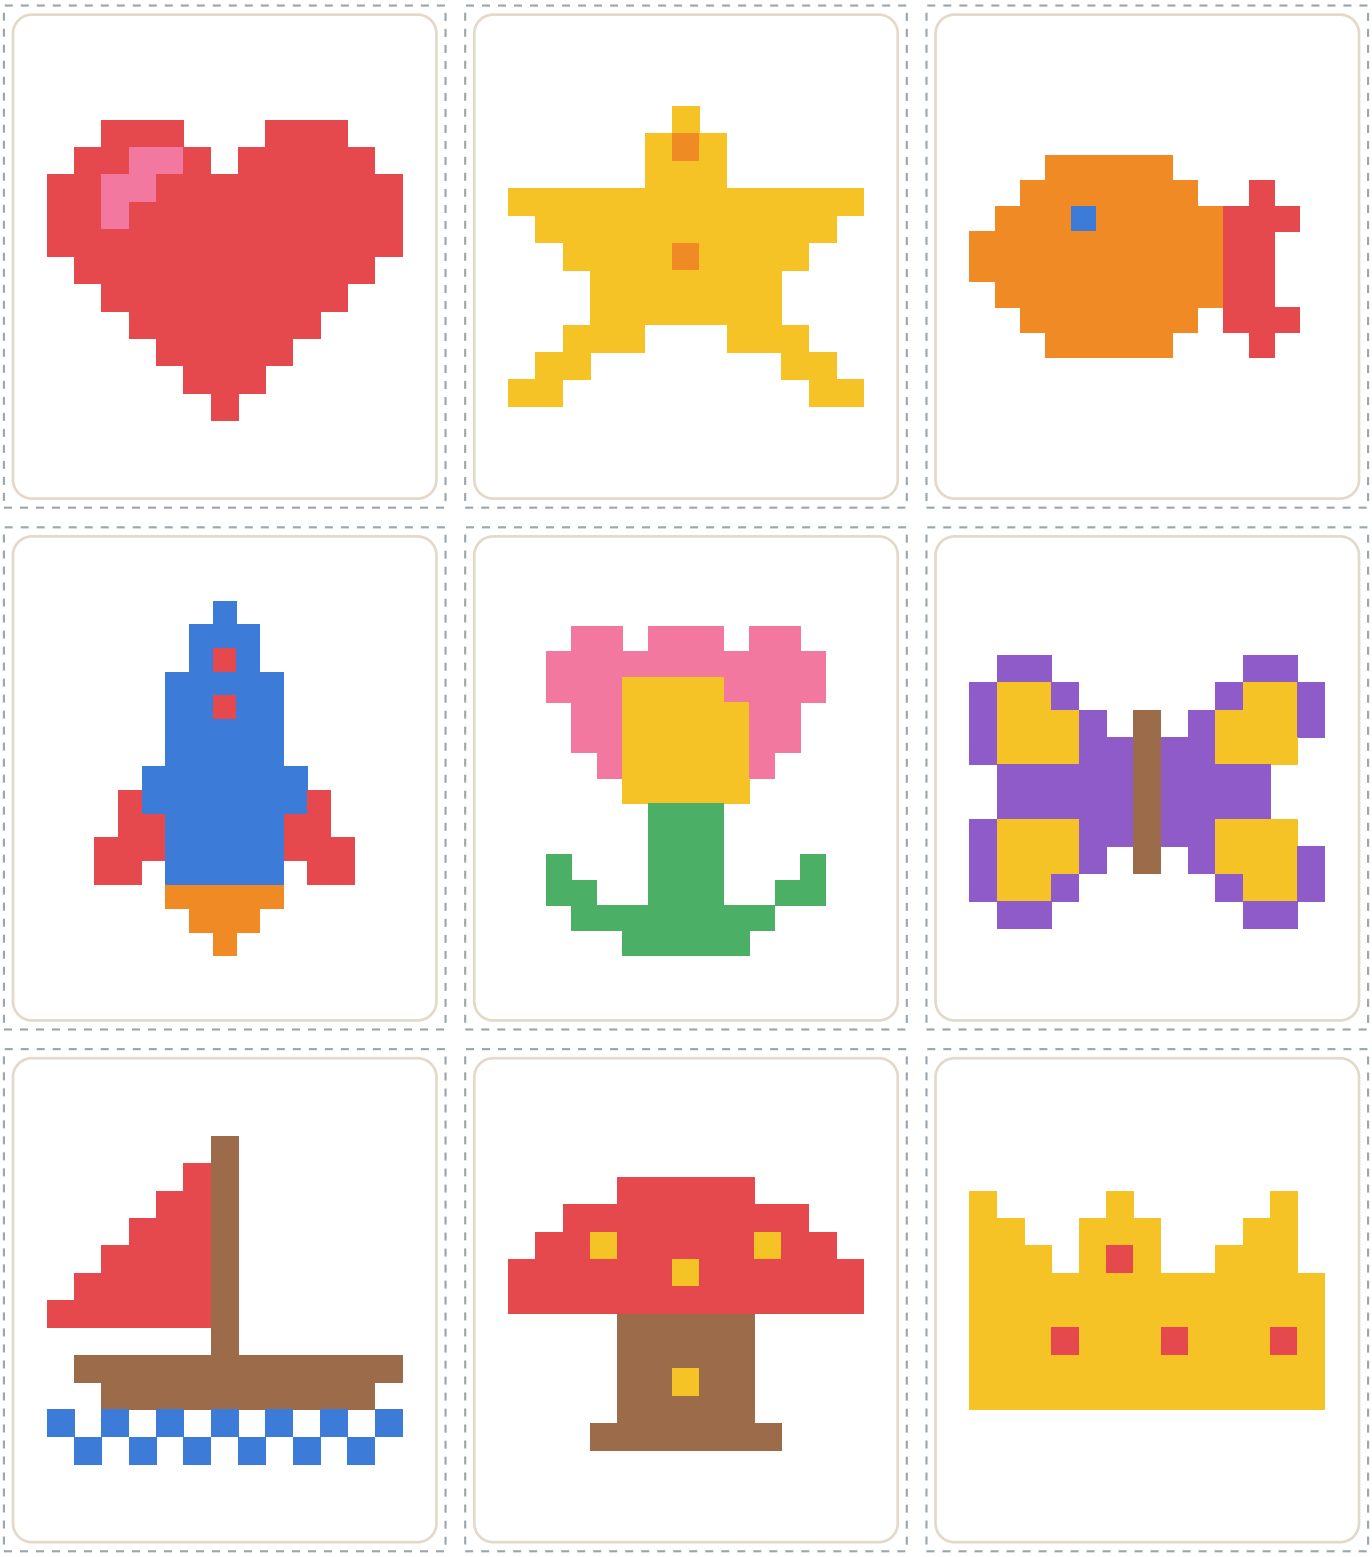

Picture memory game – sheet 1/2

Cut out the cards along the dotted lines – you need both sheets to play.

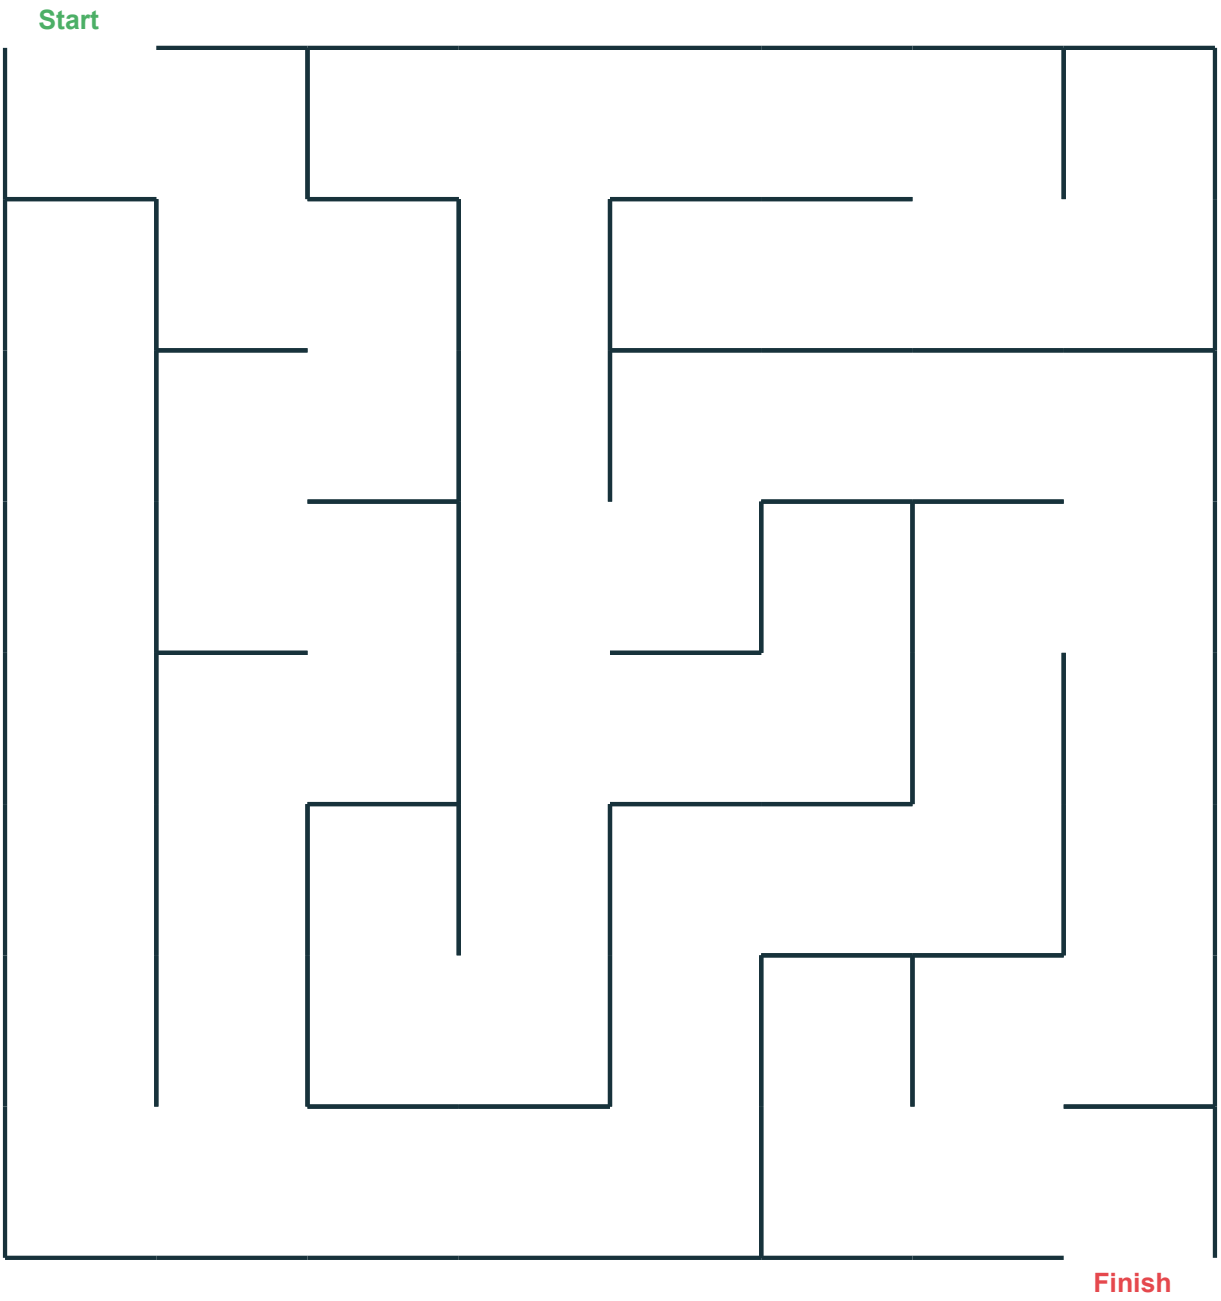

Picture memory game – sheet 2/2

Cut out the cards along the dotted lines – you need both sheets to play.

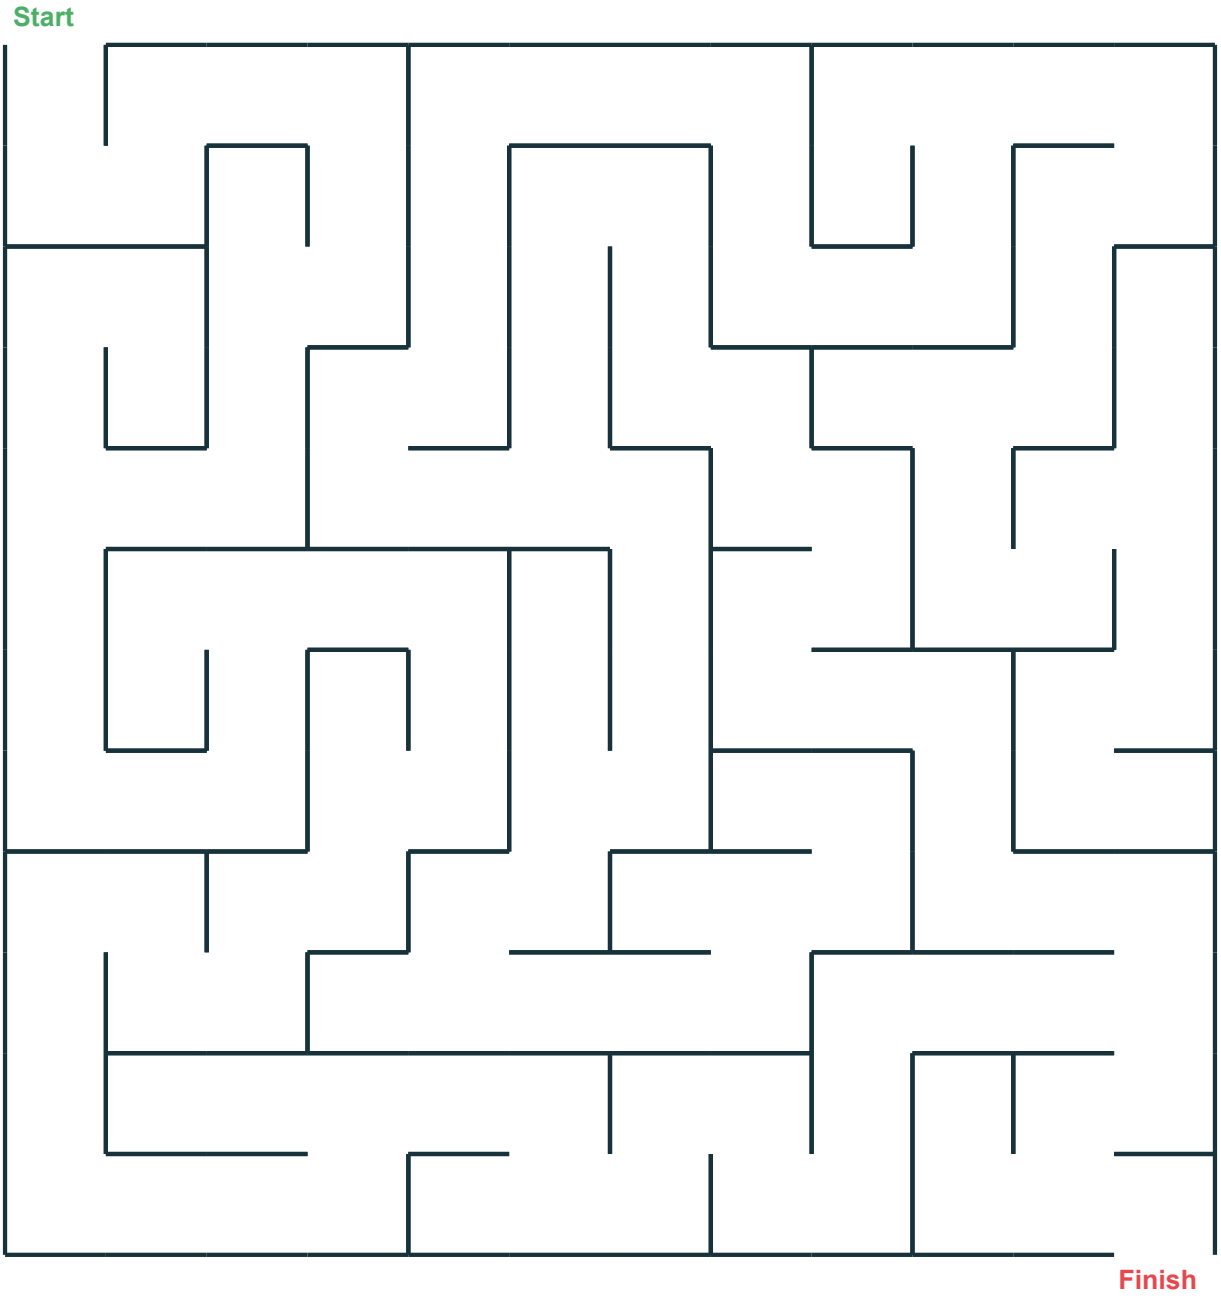

Maze – easy level

Help Titou find his honey pot! (start at the top, finish at the bottom)

Maze – medium level

Help Rosie get back to the hive! (start at the top, finish at the bottom)

AGES 3-6

Number bingo

An adult picks a token; the child looks for the number on their board.

Board 1		
9	8	4
2	5	3
7	1	6

Board 2		
3	7	9
1	4	2
5	8	6

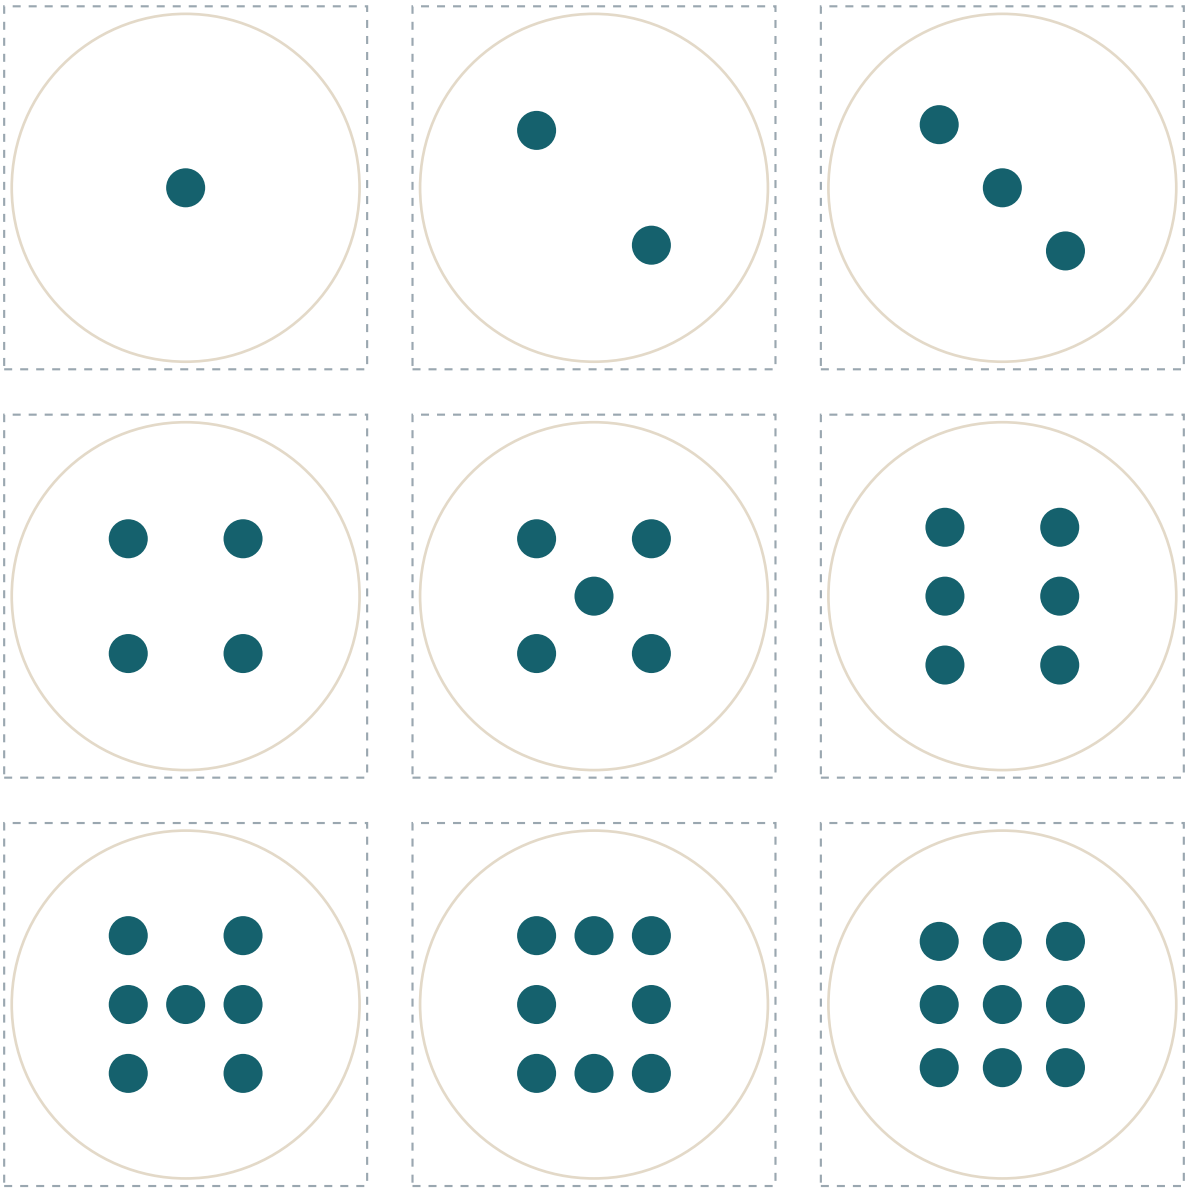

Board 3		
7	9	2
4	3	1
6	5	8

Board 4		
2	8	9
5	7	6
4	3	1

AGES 3-6

Bingo tokens

Cut out the 9 tokens – each one shows a number of dots to count.

Variation: show the token for just one second – the child has to count in their head!

AGES 3-6

Mascot race

2 or 3 players · one die · counters to cut out at the bottom of the page.

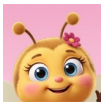

1 START	2	3	4 Move forward 2!	5
10	9	8 Miss a turn	7	6
11	12 Go again!	13	14	15
20 FINISH	19	18	17	16 Go back 3

How to play: everyone rolls the die and moves their counter. First to reach space 20 wins!

To win, you must land exactly on space 20 – if you go too far, move back by the extra spaces.

Counters (cut out and fold over a bottle top, or lay them flat):

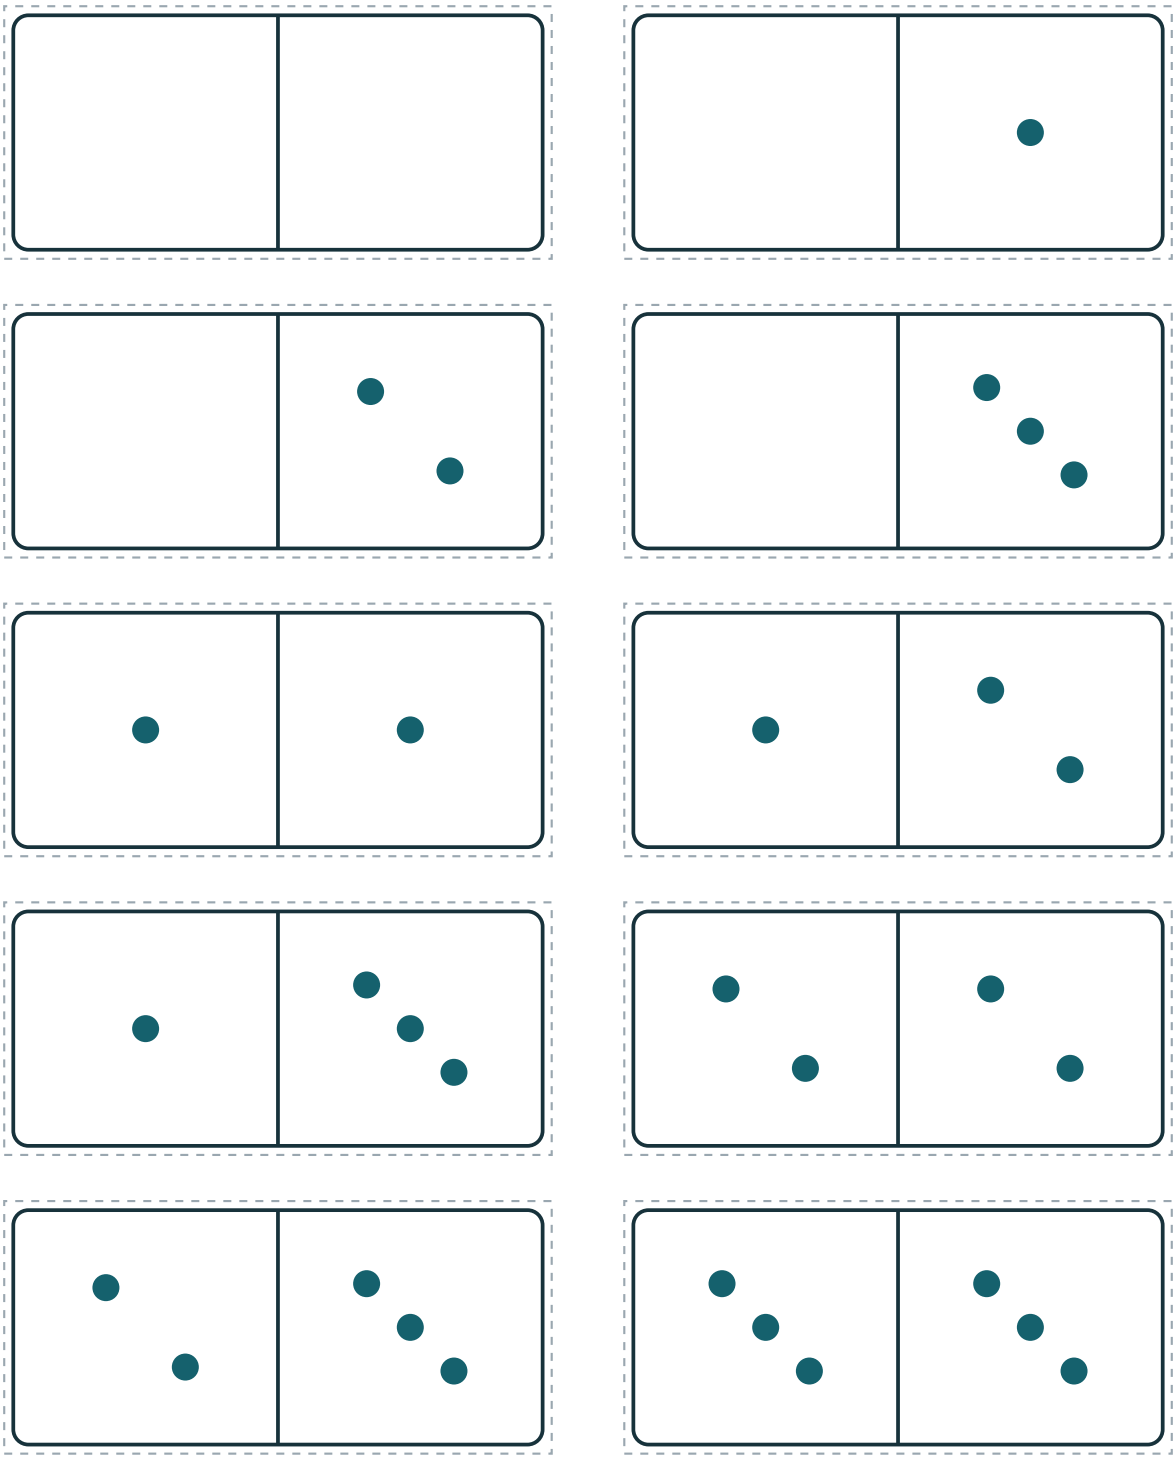

Dominoes with numbers

Cut out the 10 dominoes. Match the sides that show the same number of dots.

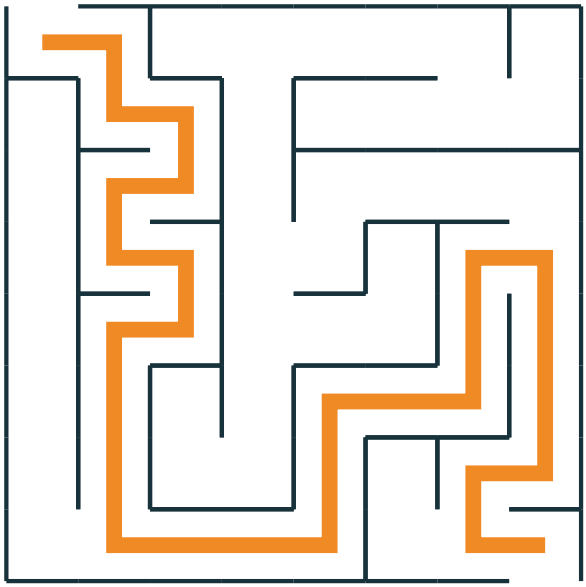

Maze solutions

Only look if you're really, really stuck!
